DD/S [REDACTED]

1. Shef Edwards telephoned to say that Commissioner Michael J. Murphy and Inspector Francis J. M. Robb of the New York City Police Department would be in town on Tuesday, 6 March. He and I will take them to lunch. (I alerted [REDACTED] and requested that he find out whether the Director would like to shake their hands. They usually call on J. Edgar Hoover and the Attorney General when they come to Washington. Jack will let me know.)

2. Emmett Echols telephoned requesting my concurrence for the entry on duty of a new employee at grade GS-16 who will be the Chief of the Nuclear Energy Division of OSI. I approved.

5. [REDACTED] was out to brief me on the status of our review of Consultants, Advisory Panels, etc., in order to determine what will be necessary to comply with the new "Conflict of Interest" Regulations. I was quite disappointed in the progress Bob had made; in fact, I didn't think he had made very much. Since then, I have talked with Dave [REDACTED] and Larry Houston and have emphasized the necessity for getting on with this job, and, as of now, Larry is meeting with Dave, [REDACTED] on Friday morning, 2 March, to make sure that we are on the right track and moving as fast as possible.

25X1A9a 6. [REDACTED] was in to report that [REDACTED] had been to see him about 25X1A9a
Project [REDACTED] Steve wanted another \$1.5 million for this Project. DD/P
25X1A2g has only about \$.5 million. Bob explained that it would be useless to go back to the
Bureau for a release from the Reserve and recommended that they go ahead and get
DCI approval to use \$1.5 million, the first \$.5 million to be obligated immediately
and the remainder later as and if savings accrue. 25X1A9a

25X1A9a 7. [REDACTED] called me about [REDACTED]; he had hoped that Larry could
stay on our rolls until 1 July despite the fact that he is caught up in our surplus personnel
situation. I checked with Emmett Echols, have determined that this is not practical,
25X1A9a and have so advised [REDACTED] 25X1A9a

25X1A9a 8. I had several conversations with [REDACTED] concerning
Ted's performance in the Africa Division. These conversations resulted in Ted's re-
lease from his assignment, effective with the close of business today. He has been as-
signed to the DD/S Development Complement and is physically located with [REDACTED] 25X1A9a
[REDACTED] for the time being. (See Memorandum for the Record dated 5 March.)
